Sunrise Bank - Customer Help Knowledge Base

Section 1 - Bank Accounts

1.1 Account Types
Sunrise Bank offers three personal account types: the Everyday Account (no minimum balance, free debit card), the Plus Account (requires a minimum balance of £1,500, earns 1.2% AER on balances up to £5,000), and the Savings Account (no debit card, earns 2.5% AER, limited to 3 free withdrawals per month).

1.2 Opening an Account
New customers can open an Everyday or Plus Account online in under 10 minutes using a valid government-issued ID and proof of UK address dated within the last 3 months. Savings Accounts can only be opened by existing customers who already hold an Everyday or Plus Account.

1.3 Checking Your Balance
Customers can check their balance at any time through the mobile app, online banking portal, or by calling the automated phone line. Balances shown in the app update in real time; balances shown via phone banking may be delayed by up to 15 minutes for pending transactions.

1.4 Overdrafts
Everyday and Plus Accounts are eligible for an arranged overdraft of up to £500, subject to an eligibility check. The arranged overdraft interest rate is 19.9% EAR. Unarranged overdraft use (exceeding the agreed limit) incurs a flat fee of £5 per day, capped at £80 per month.

1.5 Closing an Account
Accounts can be closed by contacting support or via the app's "Close Account" setting, provided the balance is £0 and there are no pending transactions. Closure requests take up to 5 working days to process.

Section 2 - Cards

2.1 Debit Cards
All Everyday and Plus Account holders receive a free contactless debit card, issued within 5-7 working days of account opening. Debit cards can be used for ATM withdrawals, in-store payments, and online purchases.

2.2 Lost or Stolen Cards
Customers should immediately freeze their card via the mobile app's "Freeze Card" toggle, which takes effect instantly. A replacement card can then be ordered free of charge and typically

arrives within 3-5 working days. If fraudulent transactions are suspected, customers should also contact the fraud team directly.

2.3 Card Limits
The default daily ATM withdrawal limit is £300, and the default daily contactless payment limit is £100. Both limits can be increased up to £1,000 per day by verified customers through the app, subject to an identity re-verification step.

2.4 Declined Transactions
Common reasons a card payment is declined: insufficient funds, exceeding the daily limit, the card being frozen, or the merchant's payment terminal flagging the transaction for manual review. Declined transactions do not incur a fee.

2.5 Credit Cards
Sunrise Bank's credit card product (Sunrise Rewards Card) has a variable APR between 21.9% and 34.9%, depending on the applicant's credit assessment. It offers 1% cashback on all purchases and has no annual fee for the first 12 months.

Section 3 - Loans

3.1 Personal Loans
Personal loans are available from £1,000 to £25,000, with repayment terms between 12 and 60 months. Representative APR is 8.9%, though the actual rate offered depends on the applicant's credit history and loan amount.

3.2 Eligibility
Applicants must be at least 18 years old, a UK resident, and have held a Sunrise Bank current account for a minimum of 3 months. A soft credit check is performed at the quote stage and does not affect the applicant's credit score; a hard credit check is only performed if the applicant proceeds with a full application.

3.3 Early Repayment
Personal loans can be repaid early in part or in full at any time. Early repayment of more than £8,000 in a 12-month period may incur an early settlement fee of up to 1 month's interest, in line with standard consumer credit regulations.

3.4 Missed Payments
A missed loan payment is reported to credit reference agencies after 30 days of non-payment. Customers experiencing financial difficulty are encouraged to contact the support team before a payment is missed, as short-term repayment plans may be available.

3.5 Mortgages
Sunrise Bank does not currently offer mortgage products directly but provides a mortgage referral service in partnership with an external broker, accessible via the app's "Home" tab.

Section 4 - General Policy

4.1 Customer Support Hours
Phone and live chat support are available Monday to Friday, 8am-8pm, and Saturday, 9am-5pm. The support line is closed on Sundays and UK bank holidays. Urgent card freezing and fraud reporting are available 24/7 via the app.

4.2 Complaints Procedure
Complaints can be raised via the app, by phone, or in writing. Sunrise Bank aims to resolve complaints within 3 working days; complex complaints may take up to 8 weeks, in line with regulatory timelines. If a customer remains unsatisfied, they may refer the complaint to the Financial Ombudsman Service.

4.3 Data Privacy
Customer data is processed in accordance with UK GDPR. Customers can request a copy of their personal data or ask for it to be deleted (subject to regulatory retention requirements) via the app's privacy settings or by contacting support directly.

4.4 Fraud Protection
Sunrise Bank guarantees to reimburse customers for unauthorised transactions reported within 13 months, provided the customer has not acted fraudulently or with gross negligence (e.g. sharing their PIN or one-time passcode with someone else).

4.5 Fee Summary
Sunrise Bank does not charge monthly account fees on the Everyday or Plus Account. Fees apply only for unarranged overdraft use, international card transactions (2.5% of transaction value), and replacement cards requested for reasons other than loss/theft (£5 per card).
